

Welcome to Referral open evening

Dear Colleague

Thank you for your referrals and placing trust with us. I shall be extremely grateful if you can attend this meeting which will enable us to connect with you and share your experience.

Aims and objectives:

Understand referral criteria to a primary care specialist referral practice.

Familiarise referral process and know what services are available.

Outcomes:

Be able to make appropriate referrals to facilitate patient care.

This program meets the criteria for 1 hour enhanced CPD as laid out by the General Dental Council with outcomes C&D.
